## PROJECTS

### COFFEE SHOP

- Built a responsive coffee shop website using HTML, CSS, and JavaScript, focusing on clean UI and smooth user experience.
- Implemented interactive features (menu cards, animations, navigation) to improve user engagement and visual appeal.

### NETFLIX-LANDING PAGE

- Created a Netflix landing page UI clone using HTML, CSS, and JavaScript, replicating the homepage layout and styling.
- Focused on responsive design and clean structure to match the visual feel of modern streaming platforms.
